**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

In my area, we only have AT&T or Comcast for internet service. They both have bad customer service, high prices and low quality internet. We need more good competitive providers to have more competition. Competition would force them to provide better service and lower their prices for us the customer.
